THE MODA[®]
COLLECTION
INTERIOR DOORS

Beautifully Versatile

The MODA® Collection of wood stile and rail interior doors focuses on simplicity and clean lines. Select a natural hardwood or primed wood door in one of 21 unique styles with your choice of panels — solid, translucent glass, clear glass, or mirror.

MODA gives you true flexibility. Create a coordinated look throughout your space, with glass panels where you want light to flow through and solid panels where you don't. Add a full-panel mirror to one side of a door (with any design on the reverse) for specialty applications such as bathrooms and closets. Every MODA door arrives ready to paint or stain to achieve the look you want.
